SPECIAL REPORT AND ANSWER

Come now defendants, **Houston County Sheriff Lamar Glover, Commander William B. McCarty and Lieutenant Kris Rocco**, in the above-styled cause and for Answer to plaintiff's Complaint, state as follows:

1. As to Paragraph 1 of plaintiff's Complaint, defendants assert that at this time they are without personal knowledge or information sufficient to form a belief as to the truth of the averments.
2. As to Paragraph 2 of plaintiff's Complaint, defendants assert that at this time they are without personal knowledge or information sufficient to form a belief as to the truth of the averments.
3. As to Paragraph 3 of plaintiff's Complaint, defendants deny that the constitutional rights of plaintiff have been violated and demand strict proof thereof.
4. As to Paragraph 4 of plaintiff's Complaint, defendants deny that plaintiff's

constitutional rights have been violated at any time.

5. As to Paragraph 5 of plaintiff's Complaint, defendants deny that plaintiff's Constitutional rights have been violated. Defendant asserts that while in the Houston County Jail, plaintiff has never been wrongly deprived of a right protected by the United States Constitution and the court decisions interpretive thereof. For more complete factual information regarding plaintiff's Complaint and defendants' response thereto, please refer to the **Affidavits of Sheriff Lamar Glover, Commander William B. McCarty, Lieutenant Kris Rocco, and Food Service Director Mrs. Jackson** (Exhibits "1", "2", "3", and "4" respectively).

6. As to Paragraph 6 of plaintiff's Complaint, defendants assert that the plaintiff is not entitled to any relief from this Court as there has been no violation, constitutional or otherwise.

AFFIRMATIVE AND ADDITIONAL DEFENSES

FIRST DEFENSE

Plaintiff's Complaint and the claims therein, or alternatively portions thereof, fail to state a claim upon which relief can be granted.

SECOND DEFENSE

Any allegations of plaintiff's Complaint not explicitly admitted herein are denied and strict proof is demanded to support such allegations.

THIRD DEFENSE

Plaintiff is not entitled to any award of punitive damages should this complaint be construed to request them.

FOURTH DEFENSE

Defendants assert that cities and counties are absolutely immune from punitive damages under §1983. City of Newport v. Fact Concerts, Inc., 453 U.S. 247, 271 (1981).

FIFTH DEFENSE

Plaintiff is not entitled to any relief requested in the Complaint.

SIXTH DEFENSE

There is no causal relation between the acts of the defendants and any injury or damage allegedly suffered by the plaintiff.

SEVENTH DEFENSE

Plaintiff's complaint purports to state claims for or related to inmates other than the Plaintiff. All claims Plaintiff makes on behalf of non-party inmates are due to be dismissed.

EIGHTH DEFENSE

Defendants affirmatively aver that all of their actions were taken in good faith. Plaintiff cannot recover based upon plaintiff's conclusory, unsupported, bareboned and vague allegations against defendants as they are unsupported by fact or law.

NINTH DEFENSE

The allegations contained in plaintiff's Complaint against the defendants, sued in their individual capacity, fail to comply with the heightened specificity requirement of Rule 8 in § 1983 cases against persons sued in their individual capacities. See Oladeinde v. City of Birmingham, 963 F.2d 1481, 1485 (11th Cir. 1992); Arnold v. Board of Educ. of Escambia County, 880 F.2d 305, 309 (11th Cir. 1989).

TENTH DEFENSE

Defendants affirmatively deny any and all alleged claims by the plaintiff concerning his alleged deprivation of civil rights.

ELEVENTH DEFENSE

Should the plaintiff's complaint be construed to state claims under Alabama law, all state claims against defendants in their official capacity are barred because the Eleventh Amendment to the United States Constitution prohibits federal courts from hearing state law claims against state officials under the Doctrine of Pendant Jurisdiction. Pennhurst State School and Hospital v. Halderman, 465 U.S. 89, 117-121 (1984).

TWELFTH DEFENSE

All federal claims against defendants in their official capacity are barred by the Eleventh Amendment of the United States Constitution.

THIRTEENTH DEFENSE

In addition to defendants Eleventh Amendment argument, they further contend that they are not "persons" within the meaning of 42 U.S.C. § 1983. The plaintiff, by suing defendants in their official capacity, is seeking damages from the State of Alabama. Neither a state, nor its officials, as sued in their official capacities are "persons" under 42 U.S.C. § 1983. Will v. Michigan Dept. of State Police, 109 S.Ct. 2304, 2312 (1989) and Hafer v. Melo, 502 U.S. 21, 22-23 (1991).

FOURTEENTH DEFENSE

Defendants assert the defense of qualified immunity. Further, defendants plead the privileges, qualified immunities, substantive immunities, state law immunities, absolute immunities, defenses and good faith immunities given to officers of the law, governmental entities or otherwise

in the above styled cause. Defendants state that any action taken by them was made in good faith and in the performance of their duty as Sheriff, Deputy, Officer or Sheriff Department Employee of Houston County, Alabama.

FIFTEENTH DEFENSE

Defendants assert and plead the defense of substantive or state law immunity under the law of the State of Alabama.

SIXTEENTH DEFENSE

The Plaintiff cannot recover against Defendants in this case because Alabama law provides sufficient procedural due process remedies for the allegations made by plaintiff herein and such remedies are constitutionally adequate.

SEVENTEENTH DEFENSE

Defendants assert and plead sovereign immunity provided by Alabama Constitution 1901, Article I, §14.

EIGHTEENTH DEFENSE

Defendants assert that the allegations within the Complaint and the facts as will be developed are insufficient to invoke the jurisdiction of this Court.

NINETEENTH DEFENSE

Plaintiff's Complaint does not allege a violation of rights secured by the United States Constitution.

TWENTIETH DEFENSE

Defendants plead and assert the statutory immunity provided by Act of the Alabama

Legislature, designated as *Act Number 94-640*, effective April 26, 1994, and Codified as *Ala. Code* § 6-5-338, which provides absolute immunity to all peace officers and governmental units.

TWENTY-FIRST DEFENSE

That the plaintiff has failed to exhaust his administrative remedies as mandated by the Prison Litigation Reform Act amendment to 42 U.S.C. § 1997e(a). Specifically, plaintiff has filed this lawsuit against the Houston County Commission without first presenting his claim to the county commission as required by *Ala. Code* § 6-5-20; plaintiff has filed this lawsuit against defendants who are state officers without first exhausting his administrative remedies by filing a claim with and proceeding before the Alabama State Board of Adjustments as required by *Ala. Code* § 41-9-60.

TWENTY-SECOND DEFENSE

That the Prison Litigation Reform Act amendment to 42 U.S.C. §1997e(c) mandates the dismissal of plaintiff's claims herein as this action is frivolous, malicious, fails to state a claim upon which relief can be granted or seeks money damages from defendants who are entitled to immunity.

TWENTY-THIRD DEFENSE

That the plaintiff does not plead or otherwise specifically show a physical injury as required by 42 U.S.C. §1997e(e) which provides that

No Federal civil action may be brought by a prisoner confined in a jail, prison, or other correctional facility, for mental or emotional injury suffered while in custody without a prior showing of physical injury.

TWENTY-FOURTH DEFENSE

That the plaintiff failed to comply with 28 U.S.C. §1915 with respect to the requirements and limitations inmates must follow in filing in forma pauperis actions in federal court.

TWENTY-FIFTH DEFENSE

That, pursuant to *28 U.S.C. §1915(f)*, plaintiff be required to make payment for all court costs in this matter in the same manner as provided for filing fees in *28 U.S.C. §1915(a)(2)*.

TWENTY-SIXTH DEFENSE

Pursuant to *28 U.S.C. §1915A*, this court is requested to screen and dismiss this case, as soon as possible, either before or after docketing, as this case is frivolous or malicious, fails to state a claim upon which relief may be granted, or seeks money damages from defendants who are state officers entitled to immunity. Plaintiff does not allege or provide facts to establish that he has in any way suffered injury or damage related to his complaints other than he disagrees with the procedures of the Houston County Jail. These same standards are continued and provided for in *42 U.S.C. §1997e(c)*.

TWENTY-SEVENTH DEFENSE

Defendants assert the affirmative defense of the contributory negligence of plaintiff.

TWENTY-EIGHTH DEFENSE

Defendants assert the affirmative defense of the assumption of the risk by plaintiff.

TWENTY-NINTH DEFENSE

Defendants assert the truth as a defense in this case.

THIRTIETH DEFENSE

Defendants assert the affirmative defense of waiver which constitutes an avoidance or affirmative defense in this action.

THIRTY-FIRST DEFENSE

Defendants deny that they breached a duty or obligation owed to the plaintiff.

THIRTY-SECOND DEFENSE

In response to plaintiff's averments of wanton conduct and claims for punitive damages, the defendants allege that:

1. Plaintiff's claims for punitive damages are prohibited by the due process clauses of the Fifth and Fourteenth Amendments to the United States Constitution and Article I Section 6 of the Alabama Constitution.

2. Plaintiff's claims for punitive damages are prohibited by the Equal Protection Clause of the Fourteenth Amendment to the United States Constitution and Article I, Section 6, 1 and 22 of the Alabama Constitution.

3. Plaintiff's claims for punitive damages are prohibited under the Contract Clause of Article I, Section 10 of the United States Constitution.

4. Plaintiff's claims for punitive damages violate the Due Process Clause of the Fourteenth Amendment of the United States Constitution that the claims for punitive damages are vague and not rationally related to any legitimate government interests.

5. Plaintiff's claims for punitive damages violate the Sixth Amendment of the United States Constitution in that the claims for punitive damages are claims which are penal in nature, entitling the defendants to the same procedural safeguards accorded to a criminal defendant under the Sixth Amendment.

6. Plaintiff's claims for punitive damages violate the Self Incrimination Clause of the Fifth Amendment of the United States Constitution in that the damages claimed are penal in nature while the defendants are required to disclose documents and/or other evidence without safeguard against self-incrimination set out in the Fifth Amendment.

7. Plaintiff's claims for punitive damages violate the Fifth Amendment of the United States Constitution, which prohibits deprivation of life, liberty or property except by due process of law and that the claims for punitive damages are vague and not rationally related to any legitimate government interest.

8. Plaintiff's claims for punitive damages violate the rights guaranteed by the United States Constitution in that the claim for punitive damages is penal in nature for which the burden of proof on plaintiff is less than the "beyond a reasonable doubt" standard required in criminal cases.

9. Plaintiff's claims for punitive damages are unconstitutional under the Constitution of the State of Alabama which provides in Article I, Section 6, that no person shall be deprived of life, liberty or property, except by due process of law, and that the punitive damages claimed are vague and not rationally related to any legitimate governments interests.

10. Plaintiff's claims for punitive damages are unconstitutional under the Constitution of the State of Alabama which provides in Article I, Section 6, that no person shall be deprived of life, liberty or property, except by due process of law, in that the punitive damages claimed which are penal in nature, require a burden of proof on the plaintiff which is less than a "beyond a reasonable doubt" burden of proof required in criminal cases.

11. Plaintiff's claims for punitive damages are unconstitutional under the Constitution of the State of Alabama in that they violate Article I, Section 6, by claiming punitive damages which are penal in nature while the defendants are compelled to disclose documents and/or other evidence without a constitutional safeguard against self-incrimination.

THIRTY-THIRD DEFENSE

Plaintiff's claims for punitive damages are barred by the provisions of *Ala. Code §§ 6-11-20, 6-11-21, 6-11-26 and 6-11-27*.

THIRTY-FOURTH DEFENSE

Defendants are entitled to immunity under state law from any state law claims deemed to be asserted by the plaintiff.

THIRTY-FIFTH DEFENSE

Defendants are immune from punitive damages under *42 U.S.C. § 1983 and 42 U.S.C. § 1985*. See for example, Ex parte Thomas J. Purvis (Re: Akers v. Mobile County, et als.), 689 So.2d 794 (Ala. 1996); Ex parte Bryan Davis, 930 So.2d 497 (Ala. 2005); and Ex parte Jason Lowell Blankenship, 893 So.2d 303 (Ala. 2004).

THIRTY-SIXTH DEFENSE

To the extent that plaintiff's claims are premised upon a *respondeat superior* theory, said claims are due to be dismissed because the plaintiff cannot recover for claims which are premised upon a *respondeat superior* theory.

THIRTY-SEVENTH DEFENSE

Defendants further request this Court to strike all claims against fictitious defendants as there

is no fictitious party practice under the Federal Rules of Civil Procedure.

THIRTY-EIGHTH DEFENSE

The Sheriff and Deputy Sheriffs are state officers and are policy makers for the State of Alabama. Under the Alabama Constitution of 1901, sheriffs are specifically designated as *state* executive officials. *Id.* § 112 (“*The executive department shall consist of a governor, lieutenant governor, attorney general, state auditor, secretary of state, state treasurer, superintendent of education, commissioner of agriculture and industries, and a sheriff for each county.*”) “[A]n Alabama Sheriff acts exclusively for the state rather than for the county in operating a county jail.” Turquitt v. Jefferson County, Ala., 137 F.3d 1285 (11th Circuit 1998) (en banc).

THIRTY-NINTH DEFENSE

There was no policy or custom of Sheriff Lamar Glover that was executed by any employee of the Houston County Sheriff that caused any injury to the plaintiff.

FORTIETH DEFENSE

Defendants assert that plaintiff's Complaint is frivolous and filed in bad faith solely for the purpose of harassment and intimidation and request this Court pursuant to 42 U.S.C. § 1988 to award defendants reasonable attorneys fees and costs incurred in the defense of this case.

FORTY-FIRST DEFENSE

With regard to the plaintiff's claims regarding the Jail's Law Library, the plaintiff must show not only that there was some limitation of access, but further, that he was somehow actually prejudiced by the limitation of access. Chandler v. Barid, 926 F.2d 1057 (11th Cir. 1991).

FORTY-SECOND DEFENSE

The United States Supreme Court in McMillian v. Monroe County, Alabama, 520 US 781, 793, 117 S.Ct. 1734, 1740, 138 L.Ed.2d1 (1997), unequivocally held that “*Alabama sheriffs, when executing their law enforcement duties, represent the State of Alabama, not their counties.*” In so holding the Court found as a matter of law that the governing body of counties, the county commission, “*cannot instruct the sheriff how to ferret out crime, how to arrest a criminal, or how to secure evidence of a crime,*” 117 S.Ct. At 1739. The Court went on to find that a “*county commission thus has no direct control over how the sheriff fulfills his law enforcement duty....*” *Id.*

FORTY-THIRD DEFENSE

Plaintiff cannot establish federal law claims under 42 U.S.C. § 1983 against defendants.

FORTY-FOURTH DEFENSE

Plaintiff cannot recover for claims under § 1983 against Sheriff Glover in his official capacity and are due to be dismissed for lack of subject matter jurisdiction, as such are barred by the Eleventh Amendment to the United States Constitution.

FORTY-FIFTH DEFENSE

Additionally, since an action under § 1983 against defendant Sheriff Lamar Glover in his official capacity is, in essence, a suit against the State of Alabama, such suit is due to be dismissed against the State pursuant to Rule 12(b)(4) and rule 12(b)(5) of the Federal Rules of Civil Procedure for insufficiency of process and insufficiency of service of process.

FORTY-SIXTH DEFENSE

No facts have been alleged sufficient to state a claim against the State of Alabama under § 1983.

FORTY-SEVENTH DEFENSE

Plaintiff's claims against defendant Glover in his individual capacity under § 1983 are due to be dismissed due to the plaintiff's failure to allege a violation of the Constitutional right to which plaintiff is entitled. The plaintiff has not adequately alleged a violation of the constitutional right to which the plaintiff is entitled under the Eighth Amendment or Fourteenth Amendment against Sheriff Glover. Further, § 1983 provides substantive rights, but only provide a remedy for the violation of constitutional rights.

FORTY-EIGHTH DEFENSE

Plaintiff cannot recover under claims against defendant Glover in his individual capacity under § 1983, as plaintiff failed to meet the heightened pleadings standard required for § 1983 claims. Plaintiff fails to allege with any degree of particularity or specificity the acts or omissions of Sheriff Glover that allegedly violated plaintiff's constitutional rights.

FORTY-NINTH DEFENSE

Plaintiff's Complaint does not allege that Sheriff Glover, Commander McCarty or Lieutenant Rocco participated directly in any alleged constitutional violation, nor are there any allegations of an affirmative causal link between Sheriff Glover's conduct and the alleged constitutional deprivation. Therefore, defendant Glover is entitled to qualified immunity from suit.

FIFTIETH DEFENSE

Plaintiff cannot recover under any state law claims against defendants in their individual and official capacities.

FIFTY-FIRST DEFENSE

Defendants are officers of the State of Alabama and therefore are entitled to sovereign immunity as to plaintiff's state law claims.

FIFTY-SECOND DEFENSE

Further, to the extent that plaintiff seeks damages against defendants on the basis of state law, such claims are barred by the Eleventh Amendment to the United States Constitution as such are in essence a suit against the State of Alabama.

FIFTY-THIRD DEFENSE

In the Complaint, the plaintiff appears to allege claims against all defendants under the Eighth and Fourteenth Amendments to the United States Constitution and brought under § 1983. Plaintiff's Complaint is a quintessential "shotgun" pleading. For instance, it is not even possible to tell what claim under the Fourteenth Amendment is even alleged, whether it is procedural or substantive due process claim, equal protection claim, or in the alternative, merely cited for the incorporation theory.

FIFTY-FOURTH DEFENSE

Plaintiff cannot recover on Plaintiff's conclusory, unsupported, bareboned and vague allegations against Defendants unsupported by fact or law.

FIFTY-FIFTH DEFENSE

Plaintiff's Complaint fails to allege any *specific facts* relating to any action or inaction by Defendants other than the broad, conclusory allegations that Sheriff Glover is the cause of the plaintiff's alleged displeasure. In GJR Investments, Inc. v. County of Escambia, Florida, 132 F.3d 1359 (11th Cir. 1998), the Court held that "[t]he lack of any allegations in the complaint...tending to show a purposeful discrimination...is not supplied by the opprobrious epithets "willful" and "malicious"..., or by characterizing [the defendant's actions] as an unequal, unjust, and oppressive administration of the laws...These epithets disclose nothing as to the purpose or consequence of [the defendant's actions]..."

Defendants respectfully request this court to treat this Special Report and Answer as Motion for Summary Judgment.

Respectfully submitted,

in an attempt to address plaintiff's claims in this case. According to the Jail records, the plaintiff was at all times relevant to his claims, a pretrial detainee.

The Houston County Jail, as a part of the Inmate Rules and Regulations, provides for an inmate Grievance Procedure. The plaintiff has filed numerous grievances, copies of which are contained in his jail medical file as if they relate to medical treatment and copies of which are contained in his jail inmate file as they relate to other matters. As his files reflect, the plaintiff was well versed in the filing of grievances and inmate request forms. According to his jail inmate file, the plaintiff filed approximately eleven (11) inmate grievances (some appear to be repetitions) related to non-medical issues. These non-medical grievances were addressed by the jail staff. According to the plaintiff's inmate medical file, the plaintiff filed two (2) grievances related to his medical care. The plaintiff's medical grievances were addressed by the Jail Medical Clinic staff.

A true and correct copy as kept in the ordinary course of the operation of the Houston County Jail of the Inmate Rules of the Houston County Jail which contain the inmate instructions on filing a grievance are attached hereto as **Exhibit A** and are incorporated herein by reference as if fully set forth. A true and correct copy as kept in the ordinary course of the operation of the Houston County Jail of Policy Number E-301 of the Houston County Jail Policy and Procedure Directive relating to Inmate Rules and Regulations is attached hereto as **Exhibit B** and is incorporated herein by reference as if fully set forth. A true and correct copy as kept in the ordinary course of the operation of the Houston County Jail of Policy Number E-302 of the Houston County Jail Policy and Procedure Directive relating to Receipt of Inmate Rules and Regulations is attached hereto as **Exhibit C** and is incorporated herein by reference as if fully set forth. A true and correct copy as kept in the ordinary

course of the operation of the Houston County Jail of the plaintiff's Jail Docket Cards showing that the plaintiff received a copy of the Inmate Rules are attached hereto as **Exhibit D**, and are incorporated herein by reference as if fully set forth. A true and correct copy as kept in the ordinary course of the operation of the Houston County Jail of an Inmate Grievance Form available to and as provided to inmates is attached hereto as **Exhibit E**, and is incorporated herein by reference as if fully set forth. A true and correct copy as kept in the ordinary course of the operation of the Houston County Jail of Policy Number E-401 of the Houston County Jail Policy and Procedure Directive relating to Inmate Grievances is attached hereto as **Exhibit F** and is incorporated herein by reference as if fully set forth.

The Houston County Jail provides an on site law library for inmates, that contains over 700 reference volumes, including but not limited to, Alabama Reports, Alabama Code, Southern Reporter, Alabama Digests, Moore's Federal Practice, Alabama Rules of Court, Federal Rules of Court, Federal Reporter, Alabama Criminal Code with commentaries, American Jurisprudence 2nd, U.S. Supreme Court Digest, Federal Practice Digest, Florida Rules of Court and a Black's Law Dictionary. The law library is available upon request. A true and correct copy as kept in the ordinary course of the operation of the Houston County Jail of Policy Number E-103 of the Houston County Jail Policy and Procedure Directive relating to Access to Legal Assistance is attached hereto as **Exhibit G** and is incorporated herein by reference as if fully set forth. According to the records of the jail, the plaintiff was at all times provided reasonable access to the jail's law library. According to his inmate file while in the jail, the plaintiff made four (4) written requests to go the jail law library and was permitted to go each time he made such a request.

A true and correct copy as kept in the ordinary course of the operation of the Houston County Jail of Policy Number E-102 of the Houston County Jail Policy and Procedure Directive relating to Access to the Courts is attached hereto as **Exhibit H** and is incorporated herein by reference as if fully set forth.

A true and correct copy as kept in the ordinary course of the operation of the Houston County Jail of Policy Number E-601 of the Houston County Jail Policy and Procedure Directive relating to Inmate Correspondence is attached hereto as **Exhibit I** and is incorporated herein by reference as if fully set forth. Indigent inmates are provided two stamps, two envelopes and two sheets of paper on Wednesday of every week. Unlimited postage is made available to indigent inmates for mail sent to the Courts. We also provide carbon paper for the inmates to make copies; otherwise, we do not provide a copy service.

A true and correct copy as kept in the ordinary course of the operation of the Houston County Jail of Policy Number E-502 of the Houston County Jail Policy and Procedure Directive relating to Attorney Visitation is attached hereto as **Exhibit J** and is incorporated herein by reference as if fully set forth.

A true and correct copy as kept in the ordinary course of the operation of the Houston County Jail of Policy Number E-602 of the Houston County Jail Policy and Procedure Directive relating to Inmate Telephone Privileges is attached hereto as **Exhibit K** and is incorporated herein by reference as if fully set forth. Inmates may use the telephone to contact their attorneys per this policy.

With regard to plaintiff's claims related to the handling of inmate medications, attached hereto as **Exhibit L** is a copy of a Memo dated March 21, 2003 from Sheriff Glover with attached Attorney

General Opinion addressing the issue.

According to the plaintiff's medical records, when the plaintiff was evaluated by the Jail medical staff upon his incarceration on or about May 12, 2005, the plaintiff weighed 152 pounds. As of October 3, 2006, the plaintiff weighed 169 pounds. During that period of time, the plaintiff gained 17 pounds.

According to the jail records and reports from jail staff, while in the Houston County Jail the plaintiff was disciplined formally several times for various violations of the jail's rules and regulations and his file indicates that he not only knew how to appeal said decisions, but did in fact do so.

I am one of the custodians of the records maintained by the Houston County Jail. A true and correct copy of the plaintiff's jail inmate file as maintained by the officers of the Houston County Jail in the ordinary course of the Jail's day to day business is attached hereto as **Exhibit M**, and is incorporated herein by reference as if fully set forth.

I have investigated the plaintiff's complaints in this lawsuit and have found them to be without basis.

COMMANDER LAND
MS. SPEIGNER, CRNP

FROM: LAMAR GLOVER, SHERIFF 

DATE: MARCH 21, 2003

SUBJECT: CORRECTIONS OFFICERS DELIVERING
PRESCRIPTION MEDICATIONS

The Attorney General, State of Alabama, has modified the opinion dated February 13, 2002, A.G. No 2002-138, wherein the office opined that jail personnel who are not licensed health practioners could not dispense or administer medications in jails.

In a recent ruling rendered March 10, 2003, the Attorney now opines that, "a sheriff or jailer acting as an agent for an inmate, may deliver prescription drugs prepackaged by dosage to an inmate when the drugs have been dispensed by a licensed pharmacist".

Therefore, when it becomes necessary for a corrections officer to dispense medications for whatever reason, sickness of medical staff, attendance at seminars, shortages of medical staff, etc., the dispensing will be performed by jail personnel.

Sheriff
Tuscaloosa County Sheriff's Office

Tuscaloosa, AL 35401

Sheriffs – Medical Services – Medicine
– Jails – Tuscaloosa County

A sheriff or jailer, acting as an agent for an inmate, may deliver prescription drugs prepackaged by dosage to an inmate when the drugs have been dispensed by a licensed pharmacist.

Dear Sheriff Sexton:

This opinion of the Attorney General is issued in response to your request.

QUESTION

In the light of the authority of the sheriff or jailer to provide the "necessary medicines and medical attention" to inmates who are sick or injured, and the fact that the sheriff has legal custody of the jail and the inmates therein, may the sheriff act as an agent for the inmate to receive prescription drugs that have been dispensed by a licensed pharmacist and deliver them to the inmates?

FACTS AND ANALYSIS

This Office previously issued an opinion to you dated February 13, 2002, A.G. No. 2002-138, wherein this Office opined that jail personnel,

Honorable Edmund M. Sexton, Sr.
Page 2.

who are not physicians, pharmacists, or registered or licensed practical nurses, may not dispense or administer medications in jails. You are asking this Office to reconsider this opinion in the light of sections 14-6-1, 14-6-19, and 34-23-1 of the Code of Alabama. You also state that, in your county, the prescription drugs are prepackaged by dosage and delivered to the inmate in the original prepackaged container.

Section 14-6-1 provides as follows: "The sheriff has the legal custody and charge of the jail in his county and all prisoners committed thereto." ALA. CODE § 14-6-1 (1995). Section 14-6-19 provides that the sheriff or jailer must provide "necessary medicines and medical attention to those who are sick or injured, when they are unable to provide for themselves." ALA. CODE § 14-6-19 (1995). Pursuant to these provisions, the sheriff is the agent of the inmate, much like a parent is for a child or a guardian appointed with legal custody over another person or a person standing in loco parentis. See ALA. CODE §§ 26-2A-1, *et seq.* (1992), and *State Dept. of Human Resources v. Funk*, 651 So. 2d 12 (Ala. Civ. App. 1994).

Section 34-23-1(4) defines "dispense" as follows: "to sell, distribute, administer, leave with, give away, dispose of, *deliver or supply* a drug or medicine to the *ultimate user or their agent.*" ALA. CODE § 34-23-1 (2002) (emphasis added). This provision allows prescription drugs to be delivered by a licensed pharmacist to an agent of the ultimate drug user. Because the inmates are committed to the legal custody of the sheriff, the sheriff acts as the agent for the inmate in receiving prescription drugs that are dispensed by a licensed pharmacist. As agent for the inmate, the sheriff or jailer may deliver or supply the drugs to the inmate, who is the ultimate user.

"Delivery" of the prescription drugs by the sheriff or jailer may be distinguished from "administering" the drugs, which this Office stated may be done by registered nurses and licensed practical nurses. Opinion to Honorable Edmund M. Sexton, Sr., Sheriff, Tuscaloosa County, dated February 13, 2002, A.G. No. 2002-138. "Administer" is generally defined as "to direct or superintend the execution, use, or conduct of." WEBSTER'S THIRD NEW INTERNATIONAL DICTIONARY 27 (1986). Administering drugs as performed by health care workers involves some degree of skill, care, and specialized training and judgment. See ALA. CODE § 34-21-1 (2002).

The previous opinion did not take into consideration that the sheriff and/or jailer have legal custody of the inmate and, therefore, are acting as

Honorable Edmund M. Sexton, Sr.

Page 3

the agent for the inmate with respect to the prescription drugs. Accordingly, the previous opinion is hereby modified.

CONCLUSION

A sheriff or jailer, acting as an agent for an inmate, may deliver prescription drugs prepackaged by dosage to an inmate when the drugs have been dispensed by a licensed pharmacist.

I hope this opinion answers your question. If this Office can be of further assistance, please contact Brenda F. Smith of my staff.

Sincerely,

BILL PRYOR

At approx 1800 hrs on Sunday 10/29/06 C/O Fitzgerald processed 'm Charles Allen Conrad (54009) for time served weekend release. All property items returned. I noted that the property envelope listed 10 cigarettes, 560000. When I checked the pack, I counted 8 cigarettes & a red lighter. I noted that 'm Conrad walked over to cell K2 and began talking to 'm Thomas White (28827). C/O Richardson alerted me that he saw 'm Conrad pass something under the cell door. I searched the cell. I found tobacco & the cigarette paper floating in the toilet. 'm Conrad admitted to giving the cigarettes to 'm White. 'm White constantly asked if only 'm White could be charged. 'm White stated "He only did it because I asked him to." Per Sgt Beckmann, I called dispatch, and shortly after, HCSO J. McCallister charged 'm Conrad with Promoting Prison Contraband.

Date 8-1-06 Name Thomas White HCJ# 25827 POD Food Cell

On 8-1-06, At 11:00 (or about) Officer Kirsey was passing out trays to, E pod, F pod, & G pod, All 3 pods at one time. He always does this without passing out drinks, waits until "After" serving E, F, G & H pods the trays then, comes back around after everyone has eaten to serve drinks. This has caused problems "Every" time he serves. Officer Kirsey is the only officer to do this. Anyway, 3 inmates in F pod Charles Langley #55941, @ Jake Dockery # ~~55558~~ 58558, @ Thomas White #25827 Did not get a tray. The lady officer allowed me to go into hall to get tray, I did not mess or threaten the officer. Actually I was begging to get a tray, Officer Kirsey laughed at me & said "You won't get no tray" I again told him, "It's not just me, 3 of us didn't get a tray". He started shouting me then told me to get into my pod which I did. I asked to see a Sgt and Officer Munn came & was nice enough to listen to me then went to see about getting us 3 more trays. Nobody had even got their drinks at this time. Then, a lady came over intercom & instructed "The three inmates who did not get a tray stand by the door, do not roll in - so while myself & other 2 inmates was waiting Officer Kirsey came in & said roll in - All 3 of us "tried" to explain to Officer Kirsey we were instructed not to roll in until we got our trays. Officer Kirsey popped his taser out & threatened me & other inmates. We rolled in. Mr McCarty or Lt Rocco I've not done anything to get a sanction for, I feel like you will support your officer no matter what I say, & still find me guilty - All I'm asking is to not give me lock down time on top of Quik commissary & Quik visitation. I feel that hopefully you will throw out the lock down time against me. I've not been in any trouble here & I assure you this won't happen again. Please consider all of this on my behalf. Thank you & God Bless you. Respectfully, Thomas White

Amended Statement To Appeal

Date 8.1-06 NAME Thomas White HCJ# 28827 Pod F-cell 2

WE, THE undersigned Inmates were present to Above incident & state truthfully as to the facts written in Inmate White's Appeal. Furthermore we all agree that Inmate White was not in the wrong nor did he violate Rule # 11. He did not cross or disrespect or disobey Officer Kirsey. Officer Kirsey had not completed feeding our pod, had not even served us drinks to go with meal - AND 3 inmates that were in line did not get served. Lady officer popped the door so they could get trays - officer would not give inmates their trays & started shoving White into pod. Inmate White was only asking for tray & officer laughed & said "You want eat today". Officer Kirsey is the only officer which passes out trays to all inmates in every pod, then - is back around with drinks to serve. Usually we get the drinks 10 minutes AFTER our meal - this makes no sense - We should get trays & drinks at same time... as other officers do. There is problems every time officer Kirsey feeds like this. We feel that the punishment to inmate White is extremely too much & even wrong in the first place. Inmate White wasn't in the wrong. Nobody else is punished for 2 wks commissary, 2 wks visit AND then also 4 days lockdown that seems to be rather excessive.

DATE: Sept 5th 2006 POD/CELL LOCATION: F-pod.INMATE NAME: Thomas P. White INMATE NUMBER: 28807

NATURE OF GRIEVANCE OR INFORMATION: I was on docket call to appear before Judge Jackson. I was at the courthouse in the courtroom for over 1 hour, when I couldn't hold my bladder any longer, I "begged" (3 times) Officer Dunham to "please" allow (3) me to use the bathroom, that I could no longer hold it. She refused to take me or to call someone to escort me to the bathroom, I was in extreme pain & could no longer wait, so - I tried to get "permission" to go to bathroom, again Mrs Dunham said no & then I had to "beg" Judge Jackson to instruct Officer Dunham to escort me or take me to the bathroom which the judge did, Judge Jackson is my witness to this as well as to her shoving me back to my seat in my seat.

WHAT DO YOU WANT TO HAPPEN TO SOLVE IT?

I have been subjected to cruel & unusual punishment & physically assaulted by Officer Dunham of Houston Co Jail. I am 41 years old & know how long I can hold my bladder & when I must use the restroom, I was humiliated by the above mentioned officer & subjected to cruel & unusual punishment by not allowing me to use bathroom. I suffered extreme pain, discomfort & only because I begged Judge Jackson & had him to instruct Officer Dunham to "allow" me to use bathroom - in return for Officer Dunham to be fired. I am filing a 1983 Civil Law suit against Houston Dept of Corrections. I am not an inmate or subinmate or anything to be threatened.

SGT. ON DUTY RESPONSE: I/M White - I answered your grievance prior to leaving town for a training seminar and I forwarded a copy of your grievance to the Lt. in Court. Dep. Dunham does not work for the jail. All inmates are given the opportunity to use the bathroom prior to going to court. Court generally lasts from 8:30AM - 12:00 noon. Unless you have some medical condition that keeps you from being able to hold your urine, you should be alright for such a short period of time. Trips to the bathroom are limited because it can cause safety and security issues by inmates moving between the courtroom and bathroom. Again, if you are having difficulty holding your urine, request to be checked by medical. 9/19/06 Lt. Pocco

INMATE GRIEVANCE FORM
DATE: Sept. 1st 2006 POD/CELL LOCATION: F-10 Bull

INMATE NAME: Thomas White INMATE NUMBER: 28807

NATURE OF GRIEVANCE OR INFORMATION: this morning's tray had roaches in it. yesterdays we had roaches in it, Lt. Rocco, this is not an every now & then occurrence - it is a daily event. The food has consistently had bugs in it, is never an adequate amount or the nutritional balance as state & federal law requires. The servers do not wear hair nets either. The food situation here at this jail is bordering criminal & sub-human. Would you want your children or loved ones to be treated this way?

WHAT DO YOU WANT TO HAPPEN TO SOLVE IT? Lt. Rocco, you yourself have stated that this situation is/has been a recurring event. You are & have been aware of this but still - nothing has changed. The food is disgusting, full of bugs. Never an adequate amount or even a balanced meal... this has been brought to your attention over & over, yet nothing has changed. I AM requesting a copy of this with your response attached (for my copy) & I will be complaining to Co Commissioners & Sheriff. If still nothing changes I'm filing suit.

OFFICER RESPONSE OR FINDING? Respectfully, Thomas White

SGT. ON DUTY RESPONSE: IM White - I have photos taken of the trays you guys get. We have been monitoring the food continuously and it was my understanding it was better. I again will speak to the ABC supervisor.

INMATE GRIEVANCE FORM

DATE: Sept. 1st, 2006POD/CELL LOCATION: F-10INMATE NAME: Thomas WhiteINMATE NUMBER: 28827

NATURE OF GRIEVANCE OR INFORMATION:

I am filing this grievance because of how the grievance/request procedure is in violation to the rules of procedure as mandated by both state & federal law. When an inmate files a grievance or request the officer gives "one" of the "two" copies back to inmate. This leaves inmate with a copy with "no response" for the inmate to keep for his own records (i.e.) such as to have documented proof of negligence or malfeasance by dept. officials. It is a violation of equal protection & due process which is "guaranteed" by both state & federal requirements.

WHAT DO YOU WANT TO HAPPEN TO SOLVE IT?

Either make grievance/request forms in "triplicate" so as to allow administration 1 copy - inmates file/records 1 copy & also to provide 1 copy to inmate to keep for personal records/proof.

I've got 2 (two) grievance forms that I've NEVER got a response to... why? Well, I suppose that the officer I filed grievance against threw them away. This is violating my rights & I AM requesting a copy of your response to this for my own records -

OFFICER RESPONSE OR FINDING?

SGT. ON DUTY RESPONSE: I/M White - you are allowed to read the responses to your grievances. However, you are not entitled to copies of the responses. They are held in your inmate file and have to be subpoenaed. I know you must be frustrated with everything going on but the rules are to be equally enforced. I am working on the food issue. Thank you for your patience - 9/20/06 Lt. Rocco

INMATE GRIEVANCE FORM

DATE: 8.20.2006POD/CELL LOCATION: F- pod 10 cellINMATE NAME: Thomas WhiteINMATE NUMBER: 28827

NATURE OF GRIEVANCE OR INFORMATION: ON Sunday "Lunch" meal we were served meat w/ rice, pudding, applesauce, cornbread & that was it - "NO vegetables at all. The meals are inadequate, cold, the portions are not enough, nor are they the amount of calories set forth in Federal/State guidelines. There have been several times bugs have been in food. Trays set in hall for up to 45 minutes most of the time before we are served so food is always cold. The portions are NOT the amount we should get nor are we getting enough calories or remotely what would be considered balanced diet - The food is not enough, its cold, not balanced meal, not made properly.

WHAT DO YOU WANT TO HAPPEN TO SOLVE IT? Make the Stewards do their job & be aware of the amount, the type, & quality of our food. Feed us better type food - more balanced meals - the appropriate amount of food instead of the small portions we are served now & for it to be served at least "WARM" & without bugs in it. If the conditions of the meals & size & quality of meals do not improve dramatically & immediately, I will file 1983 Civil Law Suit on & because of these conditions as well as have families file complaints to Sheriff, Commissioners, & Rhode State & inform local media as well.

OFFICER RESPONSE OR FINDING?

SGT. ON DUTY RESPONSE: IM White - I have received a couple complaints about the food. I have spoken to the kitchen about the problem and it seems to get better and then I receive another complaint like yours. Once again, I will talk to the kitchen supervisor and I will speak to the SAs so as I get a picture of the meals. However, I have been assured that the amount served meets Federal/State guidelines. I will check into your complaint. Please keep me informed of the progress. 8/22/06 Lt. Rous

84 (Rev. 08-31-1999)

Note: This vital report must be prepared on each individual whose arrest fingerprints have been forwarded to the FBI Criminal Justice Information Services Division without final disposition noted thereon. If no final disposition is available to the arresting agency, complete left side and forward the form when case referred to prosecutor and/or courts. Agency on notice as to final disposition should complete this form and submit to: FBI, CJIS Division, Clarksburg, WV 26306.

1. The purpose of this report is to record the initial data of an individual's arrest and thereafter secure the final disposition of the arrest at the earliest possible time from either the arresting agency, the prosecutor or the court having jurisdiction. (INTERIM DISPOSITION INFORMATION, e.g. RELEASED ON BOND, SHOULD NOT BE SUBMITTED.) The SUBJECT'S NAME, CONTRIBUTOR AND ARREST NUMBER should be exactly the same as they appear on the fingerprint card IN THE FILES OF THE FBI. The FBI number should be indicated, if known. Agency ultimately making final disposition will complete and mail form to: FBI Criminal Justice Information Services Division, Clarksburg, WV 26306.
2. The arresting agency should fill in all arrest data on left side of form. If the arrest is disposed of by the arresting agency, as where the arrestee is released without charge, the arresting agency should fill in this final disposition and mail form to FBI Criminal Justice Information Services Division. Of course, if the final disposition is known when the arrest fingerprint card is submitted it should be noted thereon and this form is then unnecessary. In the event the case goes to the prosecutor, this form should be forwarded to the prosecutor with arrestee's case file.
3. The prosecutor should complete the form to show final disposition at the prosecution level if the matter is not being referred for court action and thereafter submit form directly to FBI Criminal Justice Information Services Division. If court action required, the prosecutor should forward form with case file to court having jurisdiction.
4. The court should complete this form as to final court disposition such as when arrested person is acquitted, case is dismissed, on conviction and when sentence imposed or sentence suspended and person placed on probation.
5. When arrested person convicted or enters guilty to lesser or different offense than charged when originally arrested, this information should be clearly indicated.
6. If subsequent action taken to seal or expunge record, attach certified or authenticated copy of court order to this form.
7. It is vitally important for completion of subject's record in the FBI Criminal Justice Information Services Division files that Final Disposition Report be submitted in every instance where fingerprints previously forwarded without final disposition noted there on.

- (3) Too much ink
- (4) Insufficient ink
- (5) Some impressions smudged, possibly fingers slipped while being rolled, or fingers not clean and dry
- (6) Ridge characteristics not distinct, possibly due to the nature of the individual's employment or some other cause. Legible prints may be obtained after a few days
- (7) Hands have been reversed
- (8) One or more fingers printed twice
- (9) One or more impressions missing or partially missing. Please indicate if there is an amputation. If no amputations, obtain these fingerprints. In cases of bent or paralyzed fingers, it is suggested that a spoon or similar instrument be used and the fingers be printed individually
- (10) Fingerprints not in sequence in spaces indicated
- (11) Impressions not black on standard white fingerprint card stock.
- (12) Fingerprint ink not permanent.

Due to the volume of fingerprints contained in the fingerprint files of the FBI, and the use of super break-ups and extensions in conjunction with the Henry Classification System, it is necessary to obtain exact ridge counts and tracings of all ten fingers in order to search our files properly.

In the event of serious injury to a finger precluding the taking of prints of the finger at this time, it is suggested that printing be done at a later date when a complete set of prints may be secured.

It is suggested that reprints be obtained and forwarded to the FBI for appropriate attention. When submitting the reprints it is not necessary to return the original fingerprint card, as only one copy of each set of fingerprints is necessary for retention in this Bureau's files.

For your information, a check by name only has been made on the enclosed prints with negative results.

Thank you for your cooperation in this matter.

Identification Division
FBI

PLEASE NOTE INSTRUCTIONS ON REVERSE SIDE.

FBI/DOJ

PLEASE NOTE

Because of the vastness of our fingerprint records, it is imperative that the complete classification formula be employed for searching and filing in each instance. Accurate classifying depends primarily upon the best possible rolled impressions that can be taken.

Fully rolled, clear impressions allow for accurate pattern differentiation, ridge counting, whorl tracing, and interpretation of whorl types.

It is suggested that each newly completed fingerprint chart be examined to ascertain if it can be fully classified, bearing in mind the following: (1) loop-type patterns cannot be classified unless the center of the loop, the delta, and the ridges between them are clear; (2) whorl-type patterns cannot be classified unless the deltas and the ridges connecting them are clear; (3) arch-type patterns can be classified as such only if a sufficiently clear impression is obtained to permit identification of the pattern as belonging to the arch category.

While a concerted effort is made to retain every fingerprint card forwarded us for processing, in some instances this is not possible. The FBI fully recognizes the occurrences of situations which challenge the ingenuity of the identification officer to secure legible impressions. All returned fingerprint cards do not necessarily reflect upon the ability of the operative taking the prints and no returns are made at any time with such a thought in mind.

Your earnest co-operation is solicited in obtaining the best possible impressions in each block on each fingerprint card forwarded us for search. By so doing you are rendering a real service and making a major contribution to all agencies participating in the fingerprint exchange program.

CIVIL ACTION NO.: 1:06-CV-961-WKW

AFFIDAVIT

STATE OF ALABAMA,

HOUSTON COUNTY.

Before me, the undersigned authority for administering oaths, personally appeared **Carolyn Deloris Jackson** who is the Food Service Director with the Houston County Sheriff's Department, who being by me first duly sworn, deposes and says as follows:

My name is Carolyn Deloris Jackson, and I am over the age of nineteen (19) years and a resident of Houston County, Alabama.

I am presently employed by the Houston County Sheriff's Department as the Food Service Director at the Houston County Jail and was so employed at all times material to this lawsuit. Unless otherwise indicated herein, I have personal knowledge of the facts and information contained herein. I make this affidavit after review of the plaintiff's jail inmate file and the subject matter of plaintiff's Complaint in an attempt to address plaintiff's claims in this case.

The plaintiff is no longer housed in the Houston County Jail. While in the Houston County Jail, the plaintiff was a convicted/adjudicated prisoner.

The Houston County Jail has available administrative remedies through a complaint/grievance system and a request system. The plaintiff's complaints regarding bugs in the food is not correct.

As Food Service Director, I see that all inmates in the Houston County Jail are served a proper diet intended to meet all nutritional requirements. All menus for meals in the Houston County Jail are reviewed by a licensed dietician. Jail menus provide on average 3,000 calories per day with adequate nutrients according to standards set by Food and Nutrition Board of the National Academy of Science. A true and correct copy of the Statement of Nutritional Adequate for the Houston County Jail is attached hereto as **Exhibit A**, and is incorporated herein by reference as if fully set forth. Also, a true and correct copy of the jail's four-week cycle menus which have been approved by the above-referenced dietician and which have been utilized since April 13, 2005 are attached hereto collectively as **Exhibit B**, and are incorporated herein by reference as if fully set forth. My staff and I prepare hot foods for the vast majority of meals and attempt to preserve heat by covering the trays.

The food service area at the Houston County Jail is inspected monthly by the Alabama Department of Public Health. Its inspection reports show the premises always passes said inspections, show generally high grades and have not had any violations of "critical items." In addition to multiple cleanings each day, the kitchen at the Houston County Jail is regularly treated to manage and control pests.

At all times complained of by the plaintiff, the plaintiff was served meals with an average

of 3,000 calories per day with adequate nutrients according to standards set by Food and Nutrition Board of the National Academy of Science. The meats served by the Houston County Jail to inmates as a regular part of their meals include chicken, fish and soy bean burgers, turkey ham, turkey sausage as well as other meat products made from turkey.

CAROLYN DELORIS JACKSON

Before me, the undersigned authority, personally appeared Carolyn Deloris Jackson, who being sworn by me according to law, deposes and states that the matters and things alleged in the above Affidavit are true and correct to the best of his information, knowledge and belief.

Sworn to and subscribed before me on this the 5th day of December, 2006.

STATEMENT OF NUTRITIONAL ADEQUACY

The daily average calorie count for the menu exceeds 3000. Per standard procedures, this menu is reviewed and/or revised on an annual basis or more often if required.

The attached menus with approval date of 4/13/2005 were written by **ABL Management, Inc.** for the **Houston County Jail** to be served as the Regular Menu in adult general population. They have been analyzed and approved using the Food Processor Plus Nutrition Analysis System from ESHA Research, Salem, Oregon. Per standard nutritional analysis protocol, the menus were divided into seven-day periods for evaluation purposes. As written and analyzed, the menus meet R.D.A.'s for all major nutrients as stated by the Food and Nutrition Board of the National Academy of Sciences, and contract stipulations.

R.D.A.s have been established by health care professionals to define the "target" level of recommended allowances (amounts) of energy and nutrients such as protein, vitamins, and minerals for people of a specific age, sex and activity level. The allowances are set at a higher level than to just maintain good nutrition in healthy persons. An intake of at least two-thirds of the R.D.A. level is considered adequate for most healthy humans. The age group chosen as the "standard" for this facility was 'males ages 25 to 50' leading a moderately active lifestyle
